To make your diving vacation with us as pleasant and relaxing as possible, you will find here some information about the organization and the procedure in our diving center.

Opening hours & contact

We are open for you every day from **8 am to 6 pm**.

During this time, you can also reach us by WhatsApp or phone:

 (+49) 152 35781690 or  (+20) 100 0168365

Or via e-mail: info@blueaqua-gdc.com

Diving possibilities

You have four possibilities to dive with us:

1. Dives at the house reef

You can dive at any time in the **house reef** directly in front of the dive center. House reef dives with a guide are possible daily at 9:20 am and 2 pm. You can get your tanks at the dive center so that you can easily prepare your equipment there. You can dive in the house reef either from our jetty or via the beach shore. Please make sure you register in advance at the reception of the diving center in order to register on the list and receive your tanks.

2. Short trips by boat

On several days of the week we offer **short trips** twice a day with one dive each. We have plenty of beautiful dive sites to choose from, which are max. 30 minutes away by boat. The meeting points for the tours are at 9 am and 1:45 pm.

- **Early-Morning** dives (meeting point 6 am) are also offered by us.
- **Sun-Set** dives (meeting point depends on the day) are only available in the summer months.
- **Night dives** on request.

3. Half day tour by boat

Several times a week we offer a **half day tour** with two dives within a max. 30-minute driving time. The meeting point for the tour is at 8:30 am. We also have plenty of beautiful dive sites to offer. Drinks are available on the boat and are paid for in cash to the boat crew (water (1,5 ltr.) 1 €, soft drinks 1 €). Tea and coffee are available for free.

4. Daily tour by boat

We also offer **daily tours** with two dives. The meeting point is at 8:30 am. Various beautiful dive sites are also available here. There is usually the option of a third dive on daily tours by previous arrangement (surcharge 20 €). For the daily tours, we have a large boat on which you can also get lunch and drinks.

The lunch buffet costs 5 €, water (1,5 ltr.) 1 € and soft drinks 1 €. Tea and coffee are included. Lunch and drinks are paid for in cash on the boat to the boat crew. If you would like to have lunch on the boat, please put a "X" next to 'lunch' on the excursion list for planning purposes.

Snorkelers are also very welcome on all our boat tours.

Diving packages

Pre-booked **diving packages** can be dived on different days. A break in between is no problem. The packages with boat dives can be dived on all three tours (short trip, halfday tour, day tour). The surcharge for a 3rd dive cannot be deducted from the diving package and must be paid separately. The diving packages are personal and cannot be transferred to other divers.

Diving Courses

We also offer you the opportunity to take various diving courses with us. We offer these according to the SSI standard and, on request, according to the PADI standard.

Our courses range from Open Water Diver to advanced courses to Dive Master. For diving beginners, we also offer try dives in our own house reef and from the boat.

Check-Dive

Your first dive with us is a **check-dive**, which you can do daily at the house reef or on certain boat tours. Of course, the guide will accompany you on this dive without extra charge.

Divers with more than 25 logged dives can dive independently with a buddy after the check dive.

Divers with less than 25 dives must be accompanied by one of our guides. Accompanying a guide costs 5 € per person per dive.

Nitrox

We offer all certified nitrox divers in the interests of safety:

NITROX 32 % FOR FREE

→ Analyser & a list to register are available on the house reef and on the boat.

Insurance Deco-chamber

We support the Deco Chamber "Deco International" in Safaga (approx. 10 minutes away).

With a one-time donation of 7 €, you can insure yourself for three weeks. This insurance would cover you for up to six hours in the decompression chamber free of charge in the event of a diving accident. If you are unable to prove that you have insurance, you will have to pay the entire costs yourself.

Check-In

For **check-in** we need from you:

- Diving license / Brevet
- Logbook
- Medical certificate (valid for 2 years up to the age of 40, after that max. 1 year old)
or a completely filled out medical self-disclosure form
- Passport or National Identity Card

Check-Out

At some point, even the best time comes to an end and you have to go home again:

- Please return all your rental equipment and weights to us.
 - Broken or lost rental equipment will be charged.
- Please bring your logbook with you so that we can compare our entries.

The best time for check-in or check-out is at 10 am or 3 pm.
